REMARKS

Through this Amendment, Applicants have made changes in the specification. The above descriptive text was removed from Figure 6-B and have been relocated to the part of the description where Figure 6-B is introduced and described. The "Light Path" description was taken directly out of the X-Axis of Figure 6-B, i and ii. Accordingly, there is no issue of new matters and Applicants request the allowance of this amendment.

In response to the Notification, Applicants enclose a substitute sheet of drawing containing Figure 6-B as **Exhibit 1**. This is to replace the corresponding page in the specification filed on August 28, 2003. Applicants respectfully request that this Figure 6-B be entered in connection with the above-identified application. Accordingly, there is no issue of new matters and Applicants respectfully request the removal of the text adjacent to Figure 6-B and enlarge the size of Figure 6-B.
